- All materials chosen for high performance and low maintenance

The trailer designed with you in mind

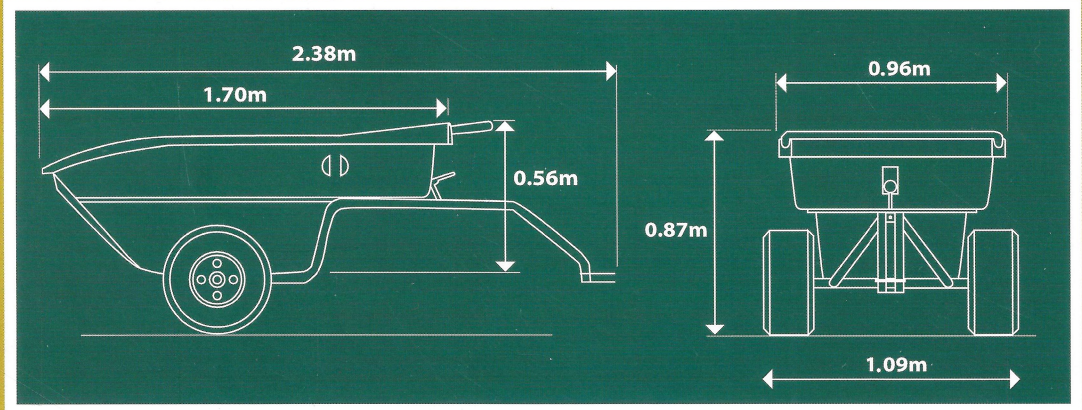

- Robust and smooth rotationally moulded polyethylene buck in British racing green
- Durable 38mm tubular stainless steel chassis and tow bar
- Well balanced buck with low centre of gravity pivots with minimum effort when the latch is released enabling materials to be easily loaded and unloaded
- Detachable wooden divider creates a clean space for clothing, accessories and tools
- Low profile pneumatic tyres, with sealed ball bearing hubs, minimise damage to soft ground
- Generous ground clearance
- Options include plant trays, leaf net, load strap, road tyres and ball hitch
- Towable by any ride-on lawn mower, garden tractor or ATV
